Conheça...

- A “longseller” series conceived for all audiences and languages.
- About people and themes that never go out of fashion.
- Subjects ranging from Philosophy, Politics, Literature, Psychology and beyond.
- Reader-friendly approaches to a wide range of works and ideas placed in their historical and social contexts.
- Written by specialists and illustrated by world-renowned cartoonists in a style specific to each book’s theme.
- Straightforward focus on the core of each idea.
- Reports that draw connections between different sources of information in order to help understand complex topics.
- Highly recommended for those who want to know more about a subject, but don’t want to get bogged down in dry facts.
- The Illustrated Documentary format allows you to add new titles in your language to the series.
- An ideal series for independent editors looking for books with long-term sales potential.

Technical details

- B/W 176 pages. Size: 19.5 x 13.5 cm.
- Originals in Spanish language.
- Illustrations provided in high resolution.
- Layouts for Quark Express and InDesign software.
